NeuroOps AI - Standard Operating Policy

Internal Knowledge Base Reference Document - Version 1.0

1. Returns and Refunds Policy

- Standard products can be returned within 30 calendar days of delivery.
- Refunds are initiated within 5-7 business days after an approved return is received.

2. Damaged Products and Replacements

- Damaged products must be reported within 48 hours of delivery.
- Replacement requests require an order ID and evidence of damage.

3. Delivery and Shipping Escalations

- Delivery delays exceeding 3 calendar days should be escalated to customer support.

4. Billing and Subscription Adjustments

- Subscription double charges must be reviewed by the billing team.
